## Words from Sandra Transformed by God

"And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what the will of God is, that which is good and acceptable and perfect" Romans 12:2.

The word "Retreat" means to go to a place to be alone, to pull apart, and to get away from it all. Do you need a time of retreat, a time to regroup in order to get a fresh perspective of your situation? Transformed means to change, turn from. Do you sense there needs to be a transformation in you as you deal with everyday life, a new way of thinking? If so, join us in April for our Women's Retreat and learn what transformation is all about and what it looks like.

We are privileged that our speaker will be **Sallie Saxon**. Sallie will share her journey as the South Park Madam in Charlotte, NC and how the Lord changed her and gave her hope. An article about Sallie and her transformation was in the February 2015, Billy Graham Evangelistic Association magazine "Decision". A quote in the article expressed her heart change as she said, "I want to serve God for His glory, and I want people to know that the chains of bondage can be broken. I want them to know that there is hope and healing". Isn't that what we long to see in our situation - hope and healing? Sallie states, "My past doesn't define me. I was bought with a price by a Savior, not

by man's money."

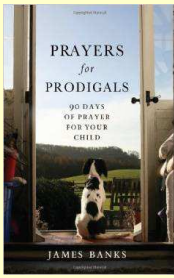

Our past doesn't define us either. Have you ever been caught up in a life you know was not honoring to the Father? Have you ever wanted to change but felt you were in too deep? Have you thought others should change, or thought you could change them? Come learn a different approach. Plan to join us Friday to Sunday, April 24-26 at Apple Hill Lodge in Moravian Falls. This glorious location is secluded, beautiful, and a place God seems to speak in mighty ways. He has

set aside this time for you. He extends the invitation to "Come" but it is up to you to respond. Arrive by dinner time Friday evening and leave before lunch on Sunday. Come be transformed by the renewing of your mind as God teaches you through our time together and your time alone with Him. You might say, "I can't afford it", but you just might find you can't afford to miss it. There will be scholarships available for those who need them. Our accommodations are already half full so contact us as soon as possible by email: [sandra@onwingslikeadove.com](mailto:sandra@onwingslikeadove.com) or call our office 336-829-5060. Leave a message and we will return your call. We would love for you to join us!

**"Wits' End"** Have you ever been there - feeling overwhelmed by life's circumstances?

Psalms 107:23-31 describes **Wits' End** as a place of peril where courage melts away, a place of great distress - like being out to sea in a raging storm

"...they were at their wits' end. Then they cried out to the LORD in their trouble, and he brought them out of their distress. He stilled the storm to a whisper; the waves of the sea were hushed. They were glad when it grew calm, and He guided them to their desired haven. Let them give thanks to the LORD for His unfailing love and His wonderful deeds for men."

How He loves us by demonstrating His power, grace and comfort when we cry out to Him! The Captain of our Salvation hears, answers, and says "peace, be still - I AM with you....always".

**Wits' End** is not such a bad place to be when He guides us to our "Haven of Rest" and we experience Jesus - the same yesterday, today and forever.

"Wits' End"

*At On Wings, our heartfelt sympathy and many prayers go out to the families of the following two that God has called home. Please join us in prayer for the families and loved ones of these precious ones.*
