

## Prepare The Way of the Lord (Isaiah 40:1-11, Mark 1:1-8)

The year 2021 is almost in our rear-view mirror and what a year it has been. The word God placed in my heart for this year was "Prepare". Little did I know what that word would entail in my life as I pondered it.

Prepare for:

- ~ My Dad's 10-day hospitalization which revealed his recurring cancer diagnosis.
- ~ My Dad's home going two days after his hospital release.
- ~ Cleaning out my parent's home with over seventy years of memories and treasures to be dispersed.
- ~ Health issues and struggles that presented themselves in our family.
- ~ Laying down my involvement in areas of ministry and taking up new ones.
- ~ Major home repairs which are just now being resolved.
- ~ Most importantly---Christ's return. Not only for myself but in encouraging others to prepare.

No doubt you have had to prepare for changes in your own life and those of your family. It has been a trying year for many but also one of hope as He has opened new ways of ministering for On Wings.

We set up a Resource Center to take in and distribute clothes, food, and hygiene products to those in need. If you know of a need or have one of your own, please come see us. We have provided for former addicts, the homeless, two local communities, partnered with law enforcement in providing needs they have encountered, and provided to some of our families from these donated provisions.

The Resource Center is open on Tuesday and Thursday from 10:00 AM to 2:00 PM at 500 South Church Street. Kay Eyler, Glenda Mott, and Carlice Roberts have worked hard to organize. If you would like to volunteer on either of these days to assist them in their process, call us at 336-829-5060. We need your assistance, and you just might enjoy helping, so come give it a try.

We were offered the opportunity to apply for a Family Grant from the Tom Davis Foundation and were approved. We will now be able to assist men and women inmates returning to society with the tools they need for a successful transition. If you know of anyone who will soon be released and needs support, you can contact David Walters at On Wings of Hope to obtain an application. Please read David's article in this newsletter for details about this program.

We look forward to great and mighty things that the Lord has in store for us in 2022. We believe it is Harvest time and we want to spread His Word and glorify His name in all we do and speak. Come join us for our Prayer Support night for a time of praise, fellowship, and prayer.

*God Bless,*

# On Wings of Hope

Hello Everybody,

This month will be a little different than my usual article; I have wonderful news! On Wings Like a Dove has been blessed with a wonderful opportunity to be able to assist a limited number of inmates who will be getting out and transitioning back into society.

Our ministry has received a grant from the Tom Davis Foundation to be able to help the formerly incarcerated to become re-

established back into society.

This will be a great opportunity for some who are eager to get out and have someone come along beside them and help with putting their life back together. The selected participants will be assigned a mentor to help guide in spiritual matters, to pray with, and to help in the distribution of all the benefits of the program. The program is one year long.
