**"If my people, which are called by My name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land"**

**2 Chronicles 7:14**

This is a pivotal time in our nation. If you are not registered to vote, we urge you to do so. Some friends and I were privileged to attend **THE RETURN** in Washington, D.C. last month. It was a call to repent, return to God, and humble ourselves individually and as a nation. God says when we do that, "then" He will hear our prayer and heal our land. Let's continue to pray fervently for our Leaders and our nation.

I believe when we prayed that day between the Memorial and the Capital that God did hear our cry for forgiveness and mercy. I urge you to vote according to God's Word and His principles.

On a different note---if you missed David's testimony at Prayer Support in October you missed a powerful one. David actually accepted the Lord right before his imprisonment which lasted fourteen years. After his decision God convicted him to report his offense to the authorities. During those fourteen years he was in a boot camp of sorts. He sat at a table with another inmate who was reading a Bible. When he asked him where he got it the guy said, "a ministry called On Wings Like a Dove sent it to me". He thought, "I wonder if they would send me one"? He wrote to us and we sent him a Bible which he said was more than he could have imagined. He used it to obtain more and more knowledge and to develop a close personal relationship with our Lord. He was able to share with other inmates about his faith and eventually taught Bible Studies to those with an interest.

While in one camp he befriended an older man who was as adamant and faithful to his Muslim faith as David was to his Christian faith. Over nine months David showed the love of God to this man. He demonstrated God's faithfulness and shared the Word of God with him every opportunity he had. One day the man said, "when you teach today, mention the cross". David said, "really". At that moment he discovered that his friend had accepted Christ! What a joy it was to know that as he had shared the love of Christ and how God had worked in his life over the months it had helped to draw this friend to a saving knowledge of Christ.

What an example to each of us. Shining God's light into a dark and often deceived world as we love the other person, no matter their belief system, which leads them to accept the gift of eternal life is the best experience of life. David was released two years ago and went through struggles of finding work and getting settled in life, but God has restored what the locust stripped from him. He has a full time job and is in training for a management position. He has met a godly young lady and plans to be married very soon. This testimony brings hope to us all. I ask you to continue to pray for David and Amy as they begin married life together. What a powerful work of God was done in his life in preparation for his calling in the years to come.

If you feel led to donate to On Wings you will be helping to put a Bible in the hands of men and women like David and we know God's Word never returns void. What better way to transform the mind of a prisoner than to provide God's Word.

Happy Thanksgiving Friends,

~ Sandra

"I think it is a disgrace that half the Christians in America aren't even registered to vote, and of those who are, only half go to the polls...When we withhold our influence and participation, we yield by default to those who promote immoral and destructive policies."

## *God Bless America*

God bless America, land that I love  
Stand beside her and guide her  
Through the night  
with the light from above  
From the mountains to the prairies  
To the oceans white with foam  
God bless America,  
my home sweet home

**I, EVEN I, AM THE LORD, AND APART FROM ME THERE IS NO SAVIOR. I HAVE REVEALED AND SAVED AND PROCLAIMED— I, AND NOT SOME FOREIGN GOD AMONG YOU. YOU ARE MY WITNESSES," DECLARES THE LORD, "THAT I AM GOD.

"In a world that might say one vote doesn't matter..., it does matter because each person is of infinite worth and value to God...Your vote is a declaration of importance as a person and a citizen."

## *Prayer Thoughts*

When you go to polls this month, keep in mind you are not voting for a Pastor, Preacher or Priest—you are voting for a LEADER. Don't get caught up in whether or not you LIKE certain characteristics of a MAN, we all have faults and none of us are perfect.

Instead, focus on what a candidate stands for and how he is leading YOUR country. VOTE YOUR BIBLE! Does your candidate promote Biblical values? Does his opponent promote Biblical values?

If you are a Christian, it is your OBLIGATION and PRIVILEGE to vote for a leader who will preserve Godly principles. We will all be accountable before God for whom we choose to lead this nation which was founded on religious freedom.

Our history as a nation has been to be a light to the world by sending missionaries to other countries to share the gospel of Jesus Christ as well as to bless them with financial aid and food. And most importantly, we have always stood with Israel which has invoked a blessing to us from God.

God has truly blessed America because of what we have stood for in the past, yet God can remove His blessing at any time if we refuse to stand for Him.

As an American, it is your privilege to get out and vote. Don't let this opportunity pass you by without taking advantage of making a difference. Your future depends on it!!

**Remember, VOTE YOUR VALUES!**

**Show me a righteous ruler and I will show you a happy people.  
Show me a wicked ruler and I will show you a miserable people.**

**Proverbs 29:2**
